NIAS Library was established in 1989. Since inception, the library collection has grown steadily, and over the years, the NIAS library has emerged as a major resource center in multidisciplinary research areas. The primary objective has been to meet the research and teaching needs of faculty and students.

Its main objective is developing user-based resources, providing human and technologically moderated access to knowledge, and facilitating users to identify, evaluate, and access information.

Following online resources are available:

1. e-Journals (full text)
2. DataSets: Stistical Databases
3. Thesis and Dissertations (E-prints)
4. Research Tools: Turnitin
5. RemotLog: How to Access Online Library
6. WEB-OPAC

DATASETS: STISTICAL DATABASES

Indiastat.com :

Access to socio-economic statistical information of India. TISS has four simultaneous user access. So if you are denied access, please try again after some time.

Economic and Political Weekly Research Foundation (EPWRF) India Time Data Series (All 29 modules).

Thesis and Dissertations (E-prints)

ePrints@NIAS

Eprints@NIAS collects, preserves, and disseminates in digital format the research output and other scholarly publications created by the NIAS research community. The repository aims to be a comprehensive database of research output containing research papers, book chapters, conference papers, books, and outreach articles. In addition, the repository serves as a platform for sharing reports, working papers, policy briefs, datasets, and audio-visual materials, which are organized for easy retrieval.

Research Tools: Turnitin

You can access the world's leading plagiarism detection software from NIAS. Or you can request a plagiarism report from the library. Please visit to library to avail yourself of this service.
